“Hayallerinizi yansıtan karolar”
“Tiles that reflect your dreams”

Fotosera; porselen karo üzerine uygulanan dijital baskı sanatıdır. Dijital fotoğraf teknolojisinin geniş olanaklarını kullanarak gerçekleştirilen reel görüntüler, grafik fotoğraf tasarımları...

Motifi, logo vb. görselleri porselen esaslı karo üzerine baskı tekniğiyle aktaran yepyeni bir teknoloji. Havuzların içinde hayal ettiğiniz dünyayı yerleştirebilme imkanı sunan “fotosera”, mercan resiflerinin renkli dünyasının coşkusu, antik sütunların ve mozaiklerin görkemli ortamını, renk renk balıkların görüntülerini yansıtır.

Ayrıca, havuz çevresinde, binaların iç ve dış mekanlarında dilediğiniz motifleri, logoları seçtiğiniz fotoğrafları, istediğiniz yere uygulayarak “fotosera” teknolojisi ile kalıcı görsel ve zenginliğe kavuşturabilirsiniz.

Fotosera is the art of digital printing on porcelain tiles. A brand new technology that transfers real images created using the wide range of techniques facilitated by digital photography, graphic photograph designs...

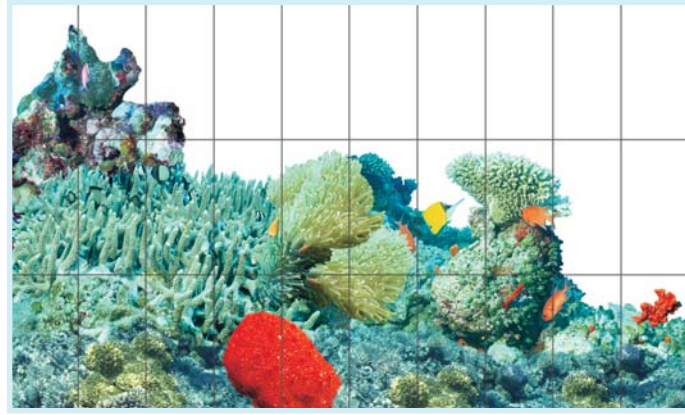

Motifs, logos, and other visuals on porcelain based tile with a printing technique. Allowing you to place the world you imagine into pools, “fotosera” reflects the exuberance of the colorful world of reefs, the majestic environment of ancient columns and mosaics, and images of colorful fishes.

You can also use the “fotosera” technology to apply any motifs or logos of your choice on any location on the interior and exterior of buildings, endowing them with a permanent visual impact and richness.
